Fair Housing **Workshops and Trainings**

*It's Right ... It's Fair ... It's for everyone ...
It's not an option ... It's the law*

- Legal Services of North Florida, Inc. frequently offers training on every person's rights under the Fair Housing Act, as well other housing and consumer related legal issues. We also encourage housing providers, real estate investors, and lenders do the right thing and make day-to-day decisions that are fair and comply with the law.
- LSNF can help you learn about your rights, provide you with expert counseling and advice, and even help you begin the process of filing a housing discrimination complaint with the U.S. Dept. of HUD.
- If your agency, club, or organization needs a speaker, a representative from Legal Services of North Florida can share information about its services and programs aimed at educating the community about Fair Housing.
- To schedule a speaker, please contact us! We would also be happy to provide you more information on the subject, pamphlets, brochures, or assist in evaluating and filing a housing discrimination complaint.
