MESSAGE FROM LEADERSHIP

2021 continued Legal Services of North Florida’s opportunity to respond to the pandemic crisis brought on by COVID-19 and the resulting economic harms to so many in our communities. The end of government moratoria that helped people stay housed brought a surge of needs from clients ranging from eviction defense, domestic abuse, family safety, access to benefits, collections, and human trafficking.

These community challenges are not new to LSNF while many of those facing these challenges had never faced such hurdles before. The fear faced by so many in these new times came with them when they asked Legal Services for help – a fear that impacted their ability to move forward, to work, and to support their families. LSNF remained at the ready to help more than 7,000 families take on this challenge and alleviate the fear that kept them from moving forward.

Each day, LSNF staff help those in our community who face some of the worst and most unimaginable circumstances, bring them stability, keeping them from falling further, and giving them opportunities to succeed.

Through our advocacy and, in some cases, simply being an ear to listen and a voice to guide through the fear, LSNF helped those in need weather the pandemic and will continue this good work in the coming year.

Legal Services also held this opportunity to grow, as we added new staff to support our response to the increasing civil legal needs in our community, expanded our partnerships to improve access to help was easier for those in the most need, and continued enhancing our technology to better serve.

This quote embodies the culture and mission of Legal Services of North Florida. We thank each of our partners, volunteers, and supporters for helping LSNF to continue this mission and bring an Opportunity for Justice to all throughout the Florida Panhandle.

IN THE MIDST OF CRISIS, LIES GREAT OPPORTUNITY. – ALBERT EINSTEIN.

WHO DO WE SERVE?

Clients are normally limited to an adjusted income of 125% of the federal poverty guidelines, with several of our grant sources having other income guidelines. All cases must be civil in nature and adhere to our priorities.

ALICE has watched her daughter struggle with a drug addiction for years. Although Alice’s daughter tries to make a safe life for her and her daughter, her continued struggle makes it difficult. Alice’s daughter is also estranged from her granddaughter’s father, limiting childcare options. Alice has taken care of her grandchild for years, but was unable to make important medical decisions for her. After asking for help from LSNF, Alice secured guardianship of her granddaughter so that she could take care of her basic needs.

LSNF works closely with private attorneys throughout our 16-county service area to give legal assistance to low-income and vulnerable residents. Through the Private Attorney Involvement Program, this cooperation takes several forms including coordinating volunteer attorney resources of time, expertise, and financial support of LSNF.
LSNF honored legal professionals throughout the week of October 25 through 29, 2021. Last year's Pro Bono Celebration week recognized the outstanding contributions made by attorneys of the First Judicial Circuit and Fourteenth Judicial Circuits. LSNF brought the 2021 Pro Bono Celebration to a new height with 4 days of virtual livestreams with judges, legal professionals, honorees, and more.

During this week LSNF also personally delivered gifts of gratitude and a Pro Bono Challenge Coin to our honorees across these judicial districts, celebrating their contributions to our community. Keynote speaker, Florida Supreme Court Justice Jorge Labarga, provided words of encouragement and praise to those local attorneys presented with LSNF’s challenge coin.

...represent members of the legal community across the entire state who are dedicated to their local communities and give their time to helping bridge the gap to justice by providing access to the courts through their pro bono work. Each year, the Florida Bar recognizes 21 lawyers for their pro bono services throughout the year. After a rigorous panel process, these attorneys are chosen. LSNF proudly nominates attorneys in our service area.
Jazz for Justice 2021 brought live music back to the streets of Pensacola, after a virtual event in 2020. LSNF was excited to continue the success of this annual event, bringing in local, regional, and national artists who livened the Seville Quarter on November 14, 2021.

Hundreds of attendees from Pensacola and around the southeast joined the festivities to watch our entertaining lineup.

2021’s lineup brought back many of our favorites, along with new to Jazz for Justice artists like Ft. Walton artist Nik Flagstar, Blues crooner and Mississippi native The Victrolas, and Alabama sensation Pat Whitehead. New Breed Brass Band and Tuba Skinny were 2021’s sensational co-headliners!
After pushing back our 2020 event in an effort to ensure safety and proper planning through the COVID-19 pandemic, Dancing with the Stars landed on February 25, 2021 as both an in-person and virtual experience.

Dancer Kimmy Hogan, with Fasig Brooks, truly was a star with not only her performance sweeping the entire audience off their feet. She demonstrated an incredible love of LSNF, bringing in the most funds during her fundraising! Her determination and enormous efforts helped her succeed in winning both the People’s Choice Award and the Judges’ Choice Award.

Dancing with the Stars raised over $50,000!

Every Celebrity Dancer brought energy and excitement, while advocating for the work we do at Legal Services of North Florida!
